

# **WEIN & SPEISE 2018 DÖNNHOFF Norheimer Kirschheck Riesling Spätlese & Zwiebelkuchen**

Dear wine lovers,

Today I would like to present you 2018 DÖNNHOFF Norheimer Kirschheck Riesling Spätlese.

Technical data:

☞ 8,5 % Vol.

☞ 8.0 g/l acidity

☞ 2.6 g/l sugar

The Norheimer Kirschheck is the neighbour vineyard of the Dellchen. The Kirschheck is a very steep south-facing slope with weathered grey slate soil. Helmut Dönnhoff's wine from this vineyard, the Dönnhoff Norheimer Kirschheck Riesling Spätlese Erste Lage is a brilliant, wonderful Riesling with a piquant acidity in harmony with a very ripe fruit sweetness. A Spätlese full of character with great depth of flavour.

The Nordheimer Kirschheck is the oldest site of the Nahe mentioned in a document. It is a pure south-facing site with intensive sunlight, which guarantees optimal ripeness year after year. In the Dönnhoff plots, the vines, which are up to 40 years old, stand on soils of grey slate and sandstone that are rich in minerals. In the glass, it reveals a fruity, intense bouquet of orange blossom, peach and lime with delicate outlines of wet stone and fresh herbs. Clear and precise on the palate, its juicy richness develops with a stimulating fresh vein into the long slate-spicy finish. A sophisticated Spätlese with low drinking intensity.

The wine can be drunk solo, but also with onion tart, tarte flambée, yeast plait, vegetable quiche. We are happy to have this wine in our assortment. The wine is sold almost everywhere, we only have a few bottles left.

Recipes are for advanced tastes. Only special preparation steps are mentioned. Quantities are not given.
